WHAT DOES AA PROVIDE?

AA provides a structured and gradual process of recovery through a '12 Step' programme. Many have found these steps effective in achieving and maintaining sobriety.

MORE ABOUT AA

Alcoholics Anonymous® is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking.

QUOTE BY BILL W.

"How privileged we are to understand so well the divine paradox that strength rises from weakness"
